

The GCMCA office is located on the Hurley Medical Center Campus in the School of Nursing Building. We are located on the first floor just inside the East entrance to the building – the first door on the right. When you arrive at the building, lift the phone outside the door and call Public Safety and let them know you are visiting our offices.

The easiest route off of a major expressway is from I-69, taking the Saginaw St. exit. Turn North onto S. Grand Traverse and take it all the way to 8th Avenue (this will be a right turn if you came from the East and a left turn if you came from the West). Once you reach 8th Avenue you will turn left and then left again into the Hurley Campus. For those coming to the office for a brief visit, you may park in the turnaround in front of the School of Nursing building. For those here for meetings or something longer than a few minutes should park in the ramp.

Office phone: 810-262-2555  
 Address: One Hurley Plaza, Flint
